Dear Laurel Hook,

From all of us at Ainsworth, we send a big THANK YOU! for taking time to join us on April 29, for our Career Fair. We had 37 visitors representing 29 different careers. Each student had a chance to explore the reality of three different career options, each one completely different from the next. After the presentations, students returned to their classes and have had a lot to talk about because each student in each homeroom saw a different series of careers.

Your intangible contribution could never be tangibly compensated, but we all hope that you will accept our gratitude and feel the reward of knowing the difference you made in the future of so many children's lives and, in effect, the world.

From our hearts,

THANK YOU
